Required Documents

The following documents are required for your admission package to be completed. GODSU Students Office cannot be responsible for incompatible students' software, and system failures, etc. Encrypted documents will not be accepted. Failure to submit required, legible documents may result in loss of consideration and admission.

- Resume and Bios that includes:
 - 1) personal information such as name, address, contact information.
 - 2) education.
 - 3) detailed work experience related to selected degree program as described in GODSU DEGREE PROGRAM including work schedule, hours worked per week, dates of employment, title, series, grade, awards (if applicable).
 - 4) other qualifications.
- Transcripts:

A copy of your most recent transcripts is required, preferably showing field of study, school name, student's name, current GPA or academic standing, past and current course work, degree program, and major/concentration.

Please be sure to submit all available transcripts to help ensure that you are properly evaluated for the degree program qualification requirements.

If you are relying on your education to meet degree qualification requirements, your transcripts must document that you have completed the required coursework hours that meet GODSU Credits.

An unofficial copy of your transcripts is sufficient with pre- admission application; however, if selected, official college transcripts will be required prior to admission.
- Nomination and Admission Verification:

If your transcripts reflect current/in-progress acceptance, separate admission verification is not required.

If your transcripts do not reflect current/in-progress acceptance, you must provide proof of current admission or acceptance in the form of letters, records, or statements issued from an authorized source (i.e. University Registrar's Office).

- **Academic Verification:**

If your transcripts do not reflect current Academic Standing/GPA, please provide proof of your academic standing in the form of letters, records, or statements issued from an authorized source (i.e. University Registrar's Office).

If claiming veteran's preference, you must submit Certificate of Release from Active Duty, which shows dates of service and discharge under honorable conditions.

If currently on active duty you must submit a certification of expected discharge or release from active-duty service under honorable conditions not later than 120 days after the date the certification is submitted.

Veteran's preference must be verified prior to appointment.

Without this documentation, you will not receive veteran's preference and your application will be evaluated based on the material(s) submitted.

If you are relying on your education to meet qualification requirements:

Education must be accredited by an accrediting institution recognized by the U.S. Department of Education for it to be credited towards qualifications. Therefore, provide only the attendance and/or degrees from schools accredited by accrediting institutions recognized by the U.S. Department of Education.
