

## **PROF IBE KACHIKWU SCHOOL OF BUSINESS STUDIES**

The School of Business Studies is a dynamic hub of innovation and entrepreneurship, dedicated to cultivating the next generation of visionary leaders. The objective of the school is to empower and emplace bold innovative and globally focused leaders of business and workplace as well as to equip them to compete, excel and conquer challenges of an ever turbulent and competitive workplace. The school of business studies offers a diverse array of GODSU programs and courses ranging from finance and marketing to organizational management and sustainable business practices. It equips students with the business knowledge and skills necessary to thrive in today's ever-evolving global marketplace. With a focus on experiential learning and real-world application, students engage in hands-on projects, internships, business courses, and case studies, gaining practical insights that prepare them to tackle complex challenges with confidence within a period of 9 - months. Fostering a culture of collaboration and creativity, the School of Business Studies fosters an environment where bold ideas flourish, empowering graduates in Bachelor, Masters, and Doctorate degrees to drive positive change and make a lasting sustainable impact in the world of business.
